-NEW- School Lunch Program

Super Growers

Super Growers is pleased to announce that we have partnered with St. Mathew's Episcopal School for the upcoming 2018-2019 academic year. Super

Growers is a local based child nutrition catering company who's sole purpose is to serve healthful school lunches to private schools.

We're committed to using the best products available, not just for our food but also in all components that make up a school lunch. Our meals are fresh and prepared on site and we strive to use organic fruits and vegetables at every opportunity.

Super Growers cares about our kids future and is engaged in environmentally friendly practices. 90% of the disposable products we use are compostable. From our trays and forks all the way to our napkins, these products are able to decompose in landfills in a fraction of the time versus styrofoam.

**A true and healthy
school lunch
experience.**

How it works

Super Growers will provide a monthly or bi-monthly menu and order form. Please review and return to the front office in an appropriate time frame. Any late turn ins require a \$5 late processing fee. We accept many forms of payments. Cash, checks and Visa-MC-Discover cards. No AMEX at this time. Super Growers also offers an EMERGENCY LUNCH program. If for any reason your child forgets their lunch at home or in the car you may text us same day to provide them with a hot lunch. The cost of the EMERGENCY LUNCH is one extra dollar from the normal price.
